

Teaching service

How to complete this form:

Teaching service in New Zealand in the last five years

Include details of teaching positions where you have been employed in a permanent full or part-time or a fixed term position. If you have day-to-day relieving to add, use **Table 2**. Note day-to-day relieving and one-on-one tutoring is not considered satisfactory recent teaching to renew Tiwhikete Whakaakoranga Tūturu | Full (Category One) practising certificate.

If you have day to day relieving service to add, please use **Table 2** below.

Overseas teaching service in the last five years

The Teaching Council can consider overseas teaching service to help you meet satisfactory recent teaching requirements for practising certificate renewals. The teaching position/s must be equivalent to a teaching position in a New Zealand educational institution1. Documentation is required in order to consider overseas teaching service. If you list any overseas teaching positions in **Table 1**, please also provide the following (for each position):

- Testimonial from a principal/professional leader that the role required you to use and meet the country's equivalent of the *Standards* | *Ngā Paerewa*
- Evidence of teacher registration in the country you were teaching
- A letter attesting to your professional standing from the teaching regulatory body
- Evidence of satisfactory performance review/appraisal
